What’s new?
124 new books were purchased last month for the Faculty of Education. To view the titles select the New books link on the Library’s homepage at www.library.uow.edu.au

Try the database Eric
ERIC is the world's largest digital library of education literature providing access to a range of material covering education research and information including journal articles, research documents, technical reports, program descriptions and evaluations, and curricular materials.

Additional Education databases can be found on the Databases page under the By Faculty link on the Library website.

E-books for Education
There are over 300 e-books that are relevant to Education students including reference material. For example:

Title: International encyclopedia of the social & behavioural sciences
Editors: Neil J. Smelser and Paul B. Baltes
Publisher: [Amsterdam ; New York] : Elsevier, c2005

To find similar material use the Catalogue Keyword search function. Type in your keywords, eg ‘encyclopedia’ and ‘social OR sociolog’ and select ‘EBOOK’ from the dropdown menu beside Material Type. By using the truncation symbol * you will widen your search and find entries which may include the words encyclopedia and encyclopedias, and, sociolology and sociological.

Hints and tips
Have you tried the Library’s Resources by Faculty pages?
These guides show you how to effectively locate information in your discipline area. In the area of Education, guides are available for:

Adult Education | Early Childhood | Education | Educational Leadership | Educational Research | ICT | Language Literacy | Mathematics | Physical Education | Primary Education | Science | Special Education | TESOL
