CONGRATULATIONS Northern Times for publishing the common sense, non-**politically correct** views of T. Whittle in last week's edition.

The major **media**, for the most part, appears to be a propaganda agency for government spin, which for some inexplicable reason appears to be based on the views of loony extremists.

Take any politician or government worldwide, name one that has not lied or broken promises. You cannot - yet everyone is apathetic regarding this global warming, now labelled climate change, nonsense.

How appropriate that Ann Adams' concerns for koalas should also appear at the same time. I am disgusted that a child losing his sight
