

**Q1: Where will I find a clear outline of the principles of anti-discrimination law?**

**Answer:**

Textbooks [UOW Library Catalogue](#)

Textbooks on a relevant topic will include relevant cases, statues and principles. Try keywords such as anti-discrimination, discrimination, discrimination and law, human rights. Follow the relevant subject headings

[LexisNexis AU: Halsbury's Laws of Australia](#)

A comprehensive, **fulltext** legal encyclopedia providing an overview of relevant cases, legislation and commentary. Title **080 Civil and Political Rights** is amongst the more relevant titles.

**TIP:**

- At **LexisNexis AU** homepage under My Sources
- Click search beside **Halsbury's Law of Australia**
- Type in your keywords

**TIP:** The topic of anti-discrimination law crosses a number of headings inc. *Employment, Civil and Political Rights, Aboriginals and Torres Strait Islanders, Administrative Law and others*

[CCh Macquarie Dictionary of Law](#)

A well known but some what dated legal dictionary.
