

**I want some journal articles on anti-discrimination law. Which databases should I use?**

**Answer:**

There are a number of [databases for law](#) which will be relevant.

**AGISPlus Text** UOW students and staff only. Produced by the Cth Attorney General's Department this is the first database to use.

**APAFT** UOW students and staff only

**LexisNexis AU: CaseBase** UOW students and staff only

**Legal Online** UOW students and staff only

**IREL** (Australian Industrial Relations Database) UOW students and staff only

**Lexis.com** UOW students and staff only.

**Worklit** UOW students and staff only

You may need to use a variety of keywords such as discrimination, equal opportunity, equal employment opportunity, EEO, racial discrimination, disability discrimination, sexual discrimination, human rights etc.
