

Answer:

Lawlex Full text

A very good source of up-to-date full text legislation for most jurisdictions. See video at "**Show me**" at "Databases to find legislation" see Lawlex.

TIP:

- At **Lawlex** homepage sign in – "**Click here** to continue as the University of Wollongong Research User"
- Click **Search legislation**
- Use the **keyword** search, tick the **jurisdiction**, at Document type
- Click on the title of the appropriate Act
- To view the amendments to this Act click the Back button & under **Lawlex Premium Research** click **View history of amendments to this title** for a list of amendments included in the compilation

Comlaw Full Text

Australian Federal legislation. Acts, bills, regulations etc. Australian Includes repealed and current legislation. This site is replacing Scaleplus.
Attorney-General's Department website

[LexisNexis AU: Federal Statutes Annotations](#) and [LexisNexis AU: New South Wales Statutes Annotations](#)

TIP:

- At **LexisNexis AU** go to **Legislation** tab type in Act
- From left click **Statutes Annotations**
- Type Act in **Legislation title**
- At Sources highlight either **Federal Statutes Annotations** or **New South Wales Statutes Annotations**
- Click **Search**
