**D158 Stuart Piggin - Faith of Steel and Mount Kembla Mine Disaster research materials**

**Creator:** Dr Stuart Piggin

**Historical Note:** Dr Stuart Piggin lectured in the Department of History at the University of Wollongong from 1974 until the late 1980s. The collection comprises research files and interviews compiled by Dr Piggin in association with his writing of the books *Faith of Steel* and *The Mount Kembla Disaster*. *Faith of Steel*, a history of churches of various denominations within the Illawarra, was published in 1984. *The Mount Kembla Disaster*, a history of the mining disaster of 1902, was written in collaboration with Henry Lee and published in 1992.

**Record Summary:** Research records – information files, correspondence, news clippings, photographs, postcards, audio and film/video recordings

**Date Range:** Late 1800s-1984

**Quantity:** Approx. 5.4 metres (30 boxes)

**Access Conditions:** Available for reference. Contact Archivist in advance to arrange access.

**Note:** Selected items in this collection have been digitised and are available via UOW Archives Online.

**Inventory:** Compiled 14 January 2002. Last revised 30 May, 2012.
