Creator: Library Association of Australia- South Coast Regional Group

Historical Note: Attempts were made in 1958 to form a regional group of the Library Association on the south Coast. Insufficient members in the region prevented a group being formed until February 1965. The Group seeks to promote the establishment and improvement of libraries and library services in the region and the improvement of the status and standard of librarianship.
   This collection comprises association records of the Library Association of Australia- South Coast Regional Group
